## Polo-Shirt and Sweatshirt Order Form

We ask our children to wear Preschool polo-shirts and / or sweatshirts in order to feel part of our Preschool and as a safety aspect on trips out. It has the added advantage of protecting their everyday clothes from any spillages or accidents during the sessions and gets them used to wearing a uniform before starting at Primary School. The cost of a polo-shirt is £10.00 and the cost of a sweatshirt is £12.00.

Please complete the table below to show which size you would like to order, along with the number required. The sizes are shown in age and chest size. Sample tops (for sizing) are available.
